2021 BUDGET MESSAGE

October 27, 2020

Dear Davis County Board of Commissioners,

Pursuant to Utah Code Annotated 17-36-10, I am pleased to present the 2021 tentative budget. This budget was developed based on direction provided by the Davis County Budget Committee and in conjunction with feedback received from elected officials, department heads, and staff who have provided valuable insight into the ongoing and future needs of the County.

Utah State Law requires that a tentative budget be prepared by the County Auditor and filed with the Legislative Body of the County by November 1, 2020, with adoption of a final budget no later than December 31, 2020. The Legislative Body may make modifications to the tentative budget and must make the final budget available for inspection and comment before adoption by resolution. A hearing for this purpose has been scheduled for Tuesday, December 8, 2020, at 6:00 pm. The adopted budget serves as a policy document, financial plan, communication device, and an operations guide reflecting the goals, programs, and service priorities of the Davis County Board of Commissioners.

2020 OUTLOOK AND RECOMMENDATIONS

In preparing the budget for 2021, economically dependent revenues were estimated conservatively so as not to overcommit them to ongoing operating expenditures should the economy experience a downturn. While the economic growth over the last six years has been positive overall, there have been definite indicators that it has slowed down over the last eighteen months. With the addition of the economic uncertainty brought on by the ensuing COVID19 pandemic, Davis County anticipates tax revenues will remain flat through 2021, with continued fluctuations in service fees tied to changes in demand.

During any period of economic transition, it is difficult to know the exact timing of how and when the economy will begin to shift directions. The County has made a concerted effort to present a budget that recognizes limited growth while maintaining existing services levels. Efforts to align expenditure requests with revenues include:

- Delay of the advance replacement of non-critical computers, technology, and equipment

- Operating reductions to limit expenditure growth to 3-5% (net of computers and other one-time costs)
- Limited approvals of requests for new positions
- Limited use of fund balance for operating deficiencies

As appropriate, the 2021 budget utilizes fund balance reserves for one-time expenditures such as reducing debt and funding capital projects either in whole or through debt service payments. Less frequently, fund balances are used to offset minor operating deficits. Detailed information by fund is outlined in the “Summary by Fund” section of this document.

BUDGET SUMMARY

The Combined FY 2021 operating and capital budgets net of inter-fund activity total \$225,186,079, with capital and debt service transfers of \$12,219,863. Related revenues sources total **\$212,852,065**. The net difference is a deficiency of \$12,334,014 in revenues compared to expenditures, representing the use of fund balance for one-time capital projects of approximately \$7,800,000, and ongoing costs of just over \$4,500,000.

A summary of expenditures requested versus expenditures proposed in the 2021 tentative budget indicates reductions totaling almost \$3,500,000, more specifically described in the sections below:

Category	2020 Budgeted	2021 Requested	2021 Tentative	Requested vs. Tentative
Personnel	\$85,147,398	\$90,545,541	\$89,351,808	\$1,193,733
Operations	\$99,919,181	\$103,024,681	\$101,963,135	\$1,061,545
Capital	\$30,746,629	\$31,615,857	\$30,379,050	\$1,236,807
Totals	\$215,813,208	\$225,186,079	\$221,693,994	\$3,492,085

Personnel: Davis County has taken significant action over the last five years to ensure employee compensation and benefits align with market realities. Each of 86 benchmarked positions is reviewed each year to evaluate the current market and whether or not positions are staying within 95% of the market. The 2020 compensation study conducted by human resources staff determined that Davis County has largely accomplished this goal (established in 2017) with very few exceptions. The study further indicated that the market did not support an overall market adjustment (formerly referred to as a COLA).

While no market adjustments are proposed in the tentative budget, pay for performance increases for eligible employees ranging from 1.-3.5% (averaging 2.75% county-wide) have been included in the 2021 budget. This is consistent with the Davis County Merit Ordinance, which requires the County to tie wages to performance.

Over the last several years, almost every department has recognized an increase in demand for services, sparking a need for additional human capital. Departmental requests for 2021 continued to reflect this trend, resulting in requests for new positions totaling 26 full-time and 1 part-time position, as well as

converting 14 (mostly vacant) part-time positions to 8 full-time positions at a total cost of \$2,440,412 annually.

Given the uncertainty in the current economic climate, and after considerable review by the Budget Committee, the tentative budget proposes staffing increases of six full-time and four part-time to full-time position conversions.

Operations: Overall, the operating budget increased 2% from the previous year, reflecting both one-time and ongoing expenditures. Operating growth is down from the 3-4% growth seen in prior years largely due to the shut-down or halting of programs due to the COVID19 pandemic. Similarly, related revenue sources are down in multiple areas and it is anticipated that a mid-year budget review will be required once there is greater certainty regarding service levels.

Capital: The County continues to strategically plan for the long term-capital needs of the community. A ten-year capital plan by fund, indicating a timeline of spending and projected use of fund balance is included in this document as **Appendix A**. While the timing and final costs may fluctuate, the County is committed to ensuring that funding is allocated for anticipated needs well in advance of them coming due. In some instances, capital projects will be funded by new debt service, but only once a consistent funding stream for the annual debt has been identified and secured.

Consistent with this approach, the 2021 tentative budget incorporates the following capital expenditures:

- **Software/Technology**
 - Kronos Timekeeping system - \$200,000
 - eProsecutor Case management system – \$200,000
 - Server Storage upgrades - \$260,000

- **Vehicles**
 - Total of **\$1,017,824** in annual vehicle purchases/replacements
 - 19 replacement vehicles
 - 1 Attorney’s office
 - 7 Public Safety
 - 4 Animal Control
 - 4 Health/Seniors
 - 3 Public Works/Facilities

- **Equipment**
 - 2 Replacement K-9’s – Sheriff
 - Vehicle Recovery Trailer - Vehicles
 - Radios – Corrections, Dispatch, Sheriff, Animal Control
 - Vests, Public Order Gear – Sheriff/Corrections
 - CPR Machine - Corrections
 - Safety/Rescue Gear – Search and Rescue
 - Lawn Mowers, Utility Vehicles – Golf Courses

- **Buildings:** The construction schedule below identifies the many ongoing projects Davis County is undertaking to ensure the long-term sustainability of its public facilities and infrastructure:

Project	2021 Project Budget	Funding Source
Assessor's Office remodel	\$70,000	General Fund Operating revenues
Events Center Remodel	\$3,320,000	Tourism Capital Fund Balance
Agricultural Heritage Center	\$3,000,000	Tourism Capital Fund Balance
North Library Branch	\$2,590,865	Debt Service
Security and Skylight upgrade at Justice Complex	\$1,300,000	General Fund Balance
Jail Medical Wing	\$9,028,250	Debt Service
Memorial Courthouse Remodel	\$8,000,000	Debt Service
Total 2021 New Construction	\$26,009,115	

Allocations: These charges are assessed annually as prescribed in the Davis County Allocation policy to equitably distribute the cost of providing internal services to the various departments. When excess fund balances build in the internal service funds, they are redistributed back to the funds or departments at the rate at which they were paid.

Transfers between funds are also recognized in this budget category and are utilized to ensure departments are appropriately funded for services, debt payments, and to build capital reserves where appropriate. The attached **Appendix B** provides a detailed listing of inter-fund transfers proposed in the 2021 tentative budget.

SUMMARY BY FUND

FUND 10 – GENERAL

General fund expenditures are budgeted to decrease by 14%, from \$95,912,575 projected in 2020 to \$82,463,740 proposed in 2021. The majority of this decrease is due to the recognition of one-time revenues and expenditures associated with Coronavirus Relief Funds received by Davis County from the State of Utah in 2020. When compared to 2019, general fund expenditures increased by 16% in 2021 with the largest area of growth represented by increased wages and benefits (\$53,024,933 in 2019 compared to \$58,468,520 in 2021). With investment in personnel increasing by nearly 10% in two years, including the addition of over 16 FTE's in 2020, new position requests were limited to the following in 2021:

- Animal Control - 1 Vet Tech
- Human Resources - 1 HR Generalist II
- Recorder - 1 Cadastral Mapper
- Sheriff - 1 Emergency Prep Planner (originally funded by CARES in 2020)
- Corrections - Convert 4 part-time EMT's to 2 full-time nurses mid-year (to coincide with the opening of the jail medical wing)
- Corrections - 1 Caseworker (contingent on CCJJ grant funding)

Again, using 2019 for comparison, 2021 General Fund revenues are projected to drop slightly, from \$76,764,884 received in 2019 to \$76,538,646 in 2021. This decline or flattening is attributed to the

anticipated drop in collection rates of property taxes in both 2020 and 2021, consistent with collections during the prior recession (2008-2010). The typical year-over-year property tax revenue growth of 2.5% is projected to be 0% in 2020.

Sales tax, another key revenue source, has spiked to a high of 8-9% growth in 2020 (average is 5-6%), however, this is likely linked to economic stimulus rather than sustainable spending patterns.

Last, collections associated with corrections have dropped tremendously in 2020, with the County lowering inmate counts due to the pandemic. Loss of contract hold revenue in 2020 and 2021 is estimated to be \$2,000,000 a year, dropping from \$6,600,000 in 2019 to \$4,800,000 projected in 2021. There is some offset to this revenue loss by recording fees, which experienced a legislatively mandated increase in 2019, with revenues growing from \$1,500,000 a year to close to \$4,000,000 a year.

The County will continue to cautiously monitor revenue trends and make appropriate budgetary recommendations as the true economic impact of COVID19 is realized. Fund balance goals remain consistent with prior years, with an estimated 2021 ending fund balance of \$26,277,154 or 33% of budgeted expenditures (net of transfers).

FUND 14 - PARAMEDIC

The paramedic fund was established in 2018 to recognize the 1983 mil-levy associated with property tax collections. Of the total amount collected, 50% is distributed to Davis County for management of the paramedic program while the other 50% is equally distributed between Layton City and South Davis Metro Fire Special Service Area. Projected revenues are \$3,274,166 in 2021 with no anticipated growth over 2020.

FUND 15 – HEALTH AND SENIOR SERVICES

Similar to the general fund, the health and senior services year-over-year budget comparison is impacted by the influx on one-time funding and expenditures in 2020 due to receipt of multiple grants for Coronavirus relief. As of this writing, nearly 80 temporary employees have been hired by the health department to assist with various Coronavirus relief and disease mitigation efforts. It is expected this infusion of resources will continue, at the very least, through the first half of 2021, with funding streams already in place.

Comparatively, non-COVID funded FTE's are anticipated to grow by 1.5 in 2021, with the addition of an office specialist II and conversion of a part time food service coordinator in the senior division to full time at a total annual cost of \$101,482.

Since receiving a dedicated tax rate in 2018, the fund has experienced greater stability and opportunity to project the long-term needs of the department. It has applied for and received a grant to install electric vehicle infrastructure at the department's campus, and is transitioning to an electric vehicle fleet with the purchase of three new vehicles in 2021. Future projects include remodeling and building new and existing senior centers and addressing parking issues at the main campus.

The health department receives significant funding from state and federal grants, although these are often program-specific and subject to re-approval through legislative action. Fees for services comprise approximately 19% of 2021 revenues, down from 23% in 2020, while property tax represents roughly 25%

of total department revenues. State funding has been stable with minor increases throughout the year, where Federal funding is declining.

FUND 17 – CJC

In 2019, the Children’s Justice Center was moved from the general fund to its own special revenue fund for ease of reporting. Year over year expenditures are down by 10% due to a one time expenditure of interview recording equipment in 2020 and a decline in the annual maintenance allocation in 2021.

FUND 18 - TOURISM

The tourism fund is supported by transient room, restaurant, and vehicle rental tax revenues, and recognizes activities related to enhancing local and regional tourism, oversight of the Davis Conference Center, and management of the Davis County Events Center.

As might be expected, these activities have been particularly impacted by the pandemic. While historical revenue growth has ranged from 8-9% year-over-year, revenues for 2020 and 2021 are projected to decline from \$8,980,667 in 2019 to \$7,353,367 and \$7,104,747 respectively.

With conservative budgeting, the fund is still able to transfer \$1,000,000 in reserves to the tourism capital fund to support the \$6,300,000 in construction initiatives occurring in 2021.

FUND 19 – 911 EMERGENCY

Expenditures in dispatch continue to climb, averaging 8% per year. Two new positions were added in 2020, contributing to this growth.

Alternately, revenues in the fund are flat and consist of cellular fees and contract revenues for services provided to other law enforcement agencies. Additionally, dispatch receives an annual subsidy of \$200,000 from the general fund to offset expenditures.

FUND 21 – B ROADS

After completing multiple projects totaling \$1,537,876 in 2019, public works projects in 2020 and 2021 are averaging around \$800,000 a year. Expenditures in personnel, operations, and allocations are budgeted to be relatively flat and in line with 2020, with the exception of vehicle services which is growing from \$80,000 to \$100,000.

FUND 22 – PROP 1 TRANSPORTATION REVENUES

With revenues of just over \$13,500,000, taxes generated by this fund are in large part (81%) passed through to Davis County cities and Utah Transit Authority. The remaining portion of this tax, estimated at \$2,552,000 for 2021, is allocated for County projects with multiple projects funded since its inception in 2016. Remaining fund balance, projected to close 2021 at \$7,715,726, will continue to be reserved and committed to funding regional transportation projects.

FUND 23 - LIBRARY

The Davis County library system is funded by its own tax levy, which accounts for over 98% of fund revenues. As with property tax collections in the general fund, the County is cautious about collection rates for 2020 and 2021. As such, library revenues are projected to be flat in 2021 with expenditures

slightly under the 2020 budget (\$8,641,864 compared to \$8,995,408). These funds support operations at seven branch locations, serving over 1,700,000 in-person and 1,044,000 on-line patrons each year.

FUND 24 –PUBLIC WORKS

Flood control projects vary widely from year to year, based on need and capacity. 2020 has been a fairly significant project year, with over \$2,400,000 in projects completed. In 2021, new projects totaling \$1,349,250 have been scheduled, including the 1000 N culvert and a joint project at Holmes Creek with Layton city.

Since 2018, flood control is funded by a dedicated tax levy (as opposed to a transfer from the general fund), allowing greater ability for long-term capital planning. Revenues for 2021 are \$5,554,820 which are used to fund projects listed above, as well as annual debt service payments of approximately \$2,100,000 that will conclude in 2029.

The County continues to review long term capital needs and emergency reserves in this fund, and anticipates the ability to decrease the levied rate once outstanding debt has been paid.

FUND 25 – SPECIAL SERVICES AREA

The special service area fund is designed to appropriate and track expenditures related to municipal-type services that are provided to those that live in the unincorporated areas of the County. These services include public safety, fire protection, animal control, streets and roads maintenance, planning and engineering, and general administration. Revenues for these services are provided by a dedicated tax rate (currently set at .000901), sales tax revenues, and user fees. The projected ending fund balance is \$1,029,771, representing \$312,407 use of fund balance reserves. As the cost of providing public safety and fire services to this area increases, the Auditors office recommends reviewing this fund in 2021.

FUNDS 26 AND 27 – TAX PASS THROUGH

The County uses pass-through funds 26 and 27 to record monies levied by the County but disbursed to other government agencies. These include transportation taxes, corridor preservation funds, and tax increment to redevelopment and community development agencies. In Fund 26, the ending fund balance is attributed to reserves for future corridor preservation projects, and Fund 27 ending fund balance is expected to be zero as money is received and disbursed within the same budget year.

FUND 28 – 3rd QUARTER TRANSPORTATION TAX

In January of 2019, the Davis County Board of Commissioners voted to increase the fuel tax by one quarter of one percent to fund additional regional transportation projects across the County. These funds became known as the “3rd Quarter” transportation tax and are anticipated to generate approximately \$13,000,000 in dedicated transportation funding each year. Programming of these funds will begin in earnest in 2021, with \$18,000,000 in estimated awards dedicated in the 2021 budget, along with minor operating and administrative costs.

FUND 29 – CDBG/SSBG

Fund 29 was established in 2019 to recognize the activities of the Davis County Community Development and Social Services Block Grant programs. CDBG funds are awarded to the County each May, and a

competitive application process is conducted to distribute the funds to eligible sub-recipients within Davis County. This fund is meant to be self-sustaining, where all administrative costs and distributions are reimbursed by state or federal funds, therefore any carrying fund balance should be minimal and tied to fiscal year programming that crosses the County's statutory calendar year closing. It is anticipated that this fund will oversee \$1,066,000 in grant activity in 2021.

FUNDS 45, 46, 47, AND 48 – CAPITAL PROJECTS

Beginning in 2016, the County created dedicated capital reserve funds to manage and plan for future capital improvement needs. Use of these funds is specifically tied to the purpose for which they have been committed, as further described below and the attached Capital Plan (Appendix A):

- **Fund 45 – General Government:** Revenues consisting of transfers and interest totaling \$1,150,000 and expenditures of \$1,006,926 for debt service payments on the jail medical wing. The 2021 projected ending fund balance is \$15,676,448, of which the following amounts are committed:
 - \$3,575,000 – Reserve for Memorial Court House project
 - \$4,693,704 – Reserve for Jail Medical Wing debt service
- **Fund 46 – Health:** Revenues consisting of transfers and interest totaling \$230,000 and expenditures of \$50,000 for minor maintenance and repairs, with a projected ending fund balance of \$1,583,802.
- **Fund 47 –Tourism:** Revenues of \$1,145,000 (transfers in and interest earnings), and capital expenditures of \$6,320,000 for the following projects:
 - \$3,320,000 – Events Center remodel
 - \$3,000,000 – Construction of Agricultural Heritage CenterThe 2021 projected ending fund balance is \$6,478,309.
- **Fund 48 – Library:** Revenues of \$605,000 (transfers in and interest earnings), expenditures of \$100,000 for minor maintenance and repairs, with a projected ending fund balance of \$2,362,835.

FUND 51 - GOLF

Budgeted golf revenues for 2021 are expected to increase by 9%, from \$2,654,893 to \$2,900,782. With the retirement of the Davis Park golf pro, a new organizational structure will allow the County to recognize new revenues, represented by the above-mentioned increase.

Golf Course expenditures are increasing by 5% in 2021, with the majority of the increase coming from operating and capital expenditures. After a projected use of approximately \$179,335 in fund balance reserves in 2020, the anticipated ending fund balance is \$4,054,728. As with all enterprise funds, the Davis County golf courses are expected to operate independently from the government-wide funds.

FUND 52 – COMMISSARY

Revenues in the Commissary fund are declining in 2020 and 2021 due to fewer inmate holds and decreased program participation. While the commissary operates as a proprietary fund, net gains are used to offset inmate programs and care. In 2020, \$2,000,000 in fund balance was transferred to the Capital fund in order to contribute to the construction of the jail medical wing. After this transfer, and 2021 operating gains of \$109,390, the projected ending fund balance is \$312,558.

FUNDS 61, 62, 63 – INTERNAL SERVICES

The County continues to generate efficiencies by centralizing key services, including Insurance, Telephone, Security, Email, and Building Maintenance. Fund 61 premium expenditures have increased due to increases to exposure rates within the pool, while expenditures tied to phone, security, and email service have held steady averaging \$545,000 a year.

In addition, Facilities maintenance expenditures represent only a modest increase (2%) between 2020 and 2021, from \$3,506,333 to \$3,577,777.

The 2021 budget for Buildings and Grounds West incorporates many of the ongoing costs of maintaining the Justice complex, the largest of which is a camera and security system upgrade totaling over \$1,000,000 that was begun in 2020 and will be completed in 2021.

CONCLUSION AND ACKNOWLEDGEMENTS

Special thanks to the Budget Committee for their input, direction, and on-going dedication during this year's budget process. Likewise, the participation of the Elected and Administrative Officers of the County, including communicating departmental visions and long-term needs, is appreciated and recognized as a critical part of the budget process. Most importantly, this document represents the efforts of all County employees in providing feedback and delivering services that are consistent with the strategic goals of Davis County.

Respectfully,

Curtis Koch
