WRITE LIKE AN EGYPTIAN

Hieroglyphs were symbols that the Ancient Egyptians used for writing.

Egyptians didn't write in hieroglyphs all the time. They saved them for special messages, like those on tombs and temples.

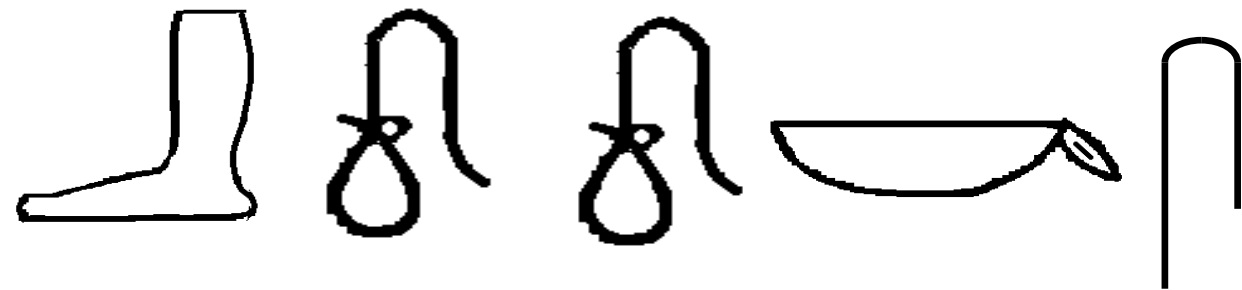

Egyptian rulers wrote their names in an oval shape called a **cartouche**.

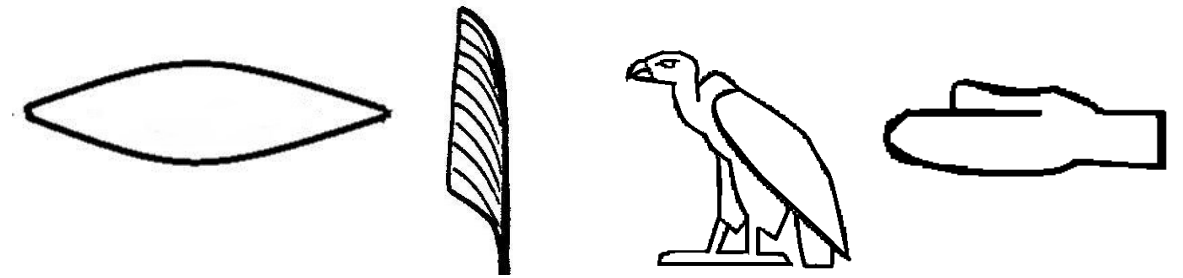

Can you guess the name of this famous Egyptian ruler?

Can you solve the codes?

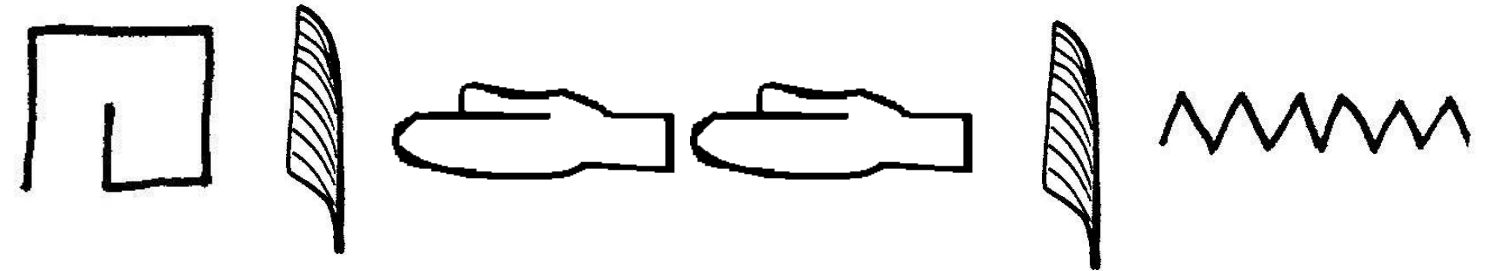

Match the symbols up with the right letter to make the missing word!

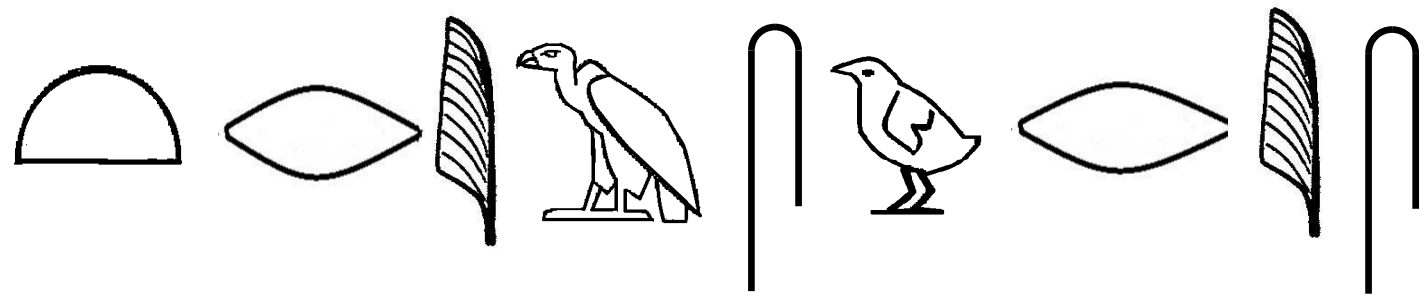

You can

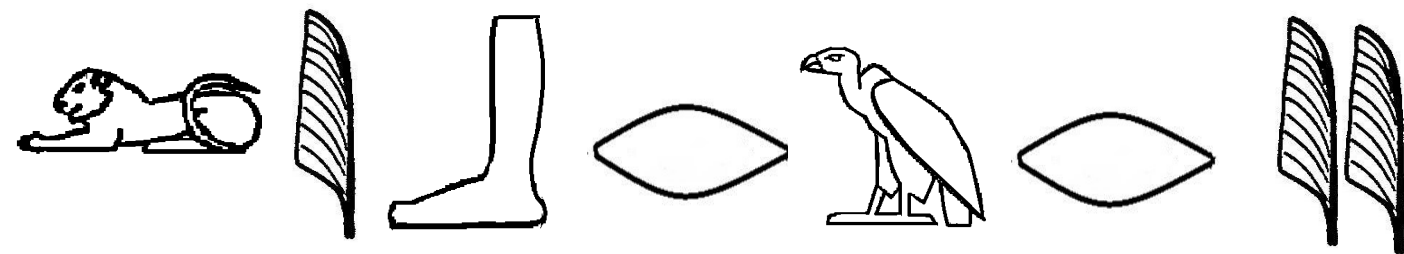

and find

knowledge.

of all kinds can be found at the

Bonus

What is your name? Write it in Egyptian hieroglyphs!
(Note: If you don't see a glyph for a letter in your name, skip to the next letter—they didn't use the same letters in ancient Egypt as we do today.)

ANSWERS:

Learn mysteries from books.

You can read and find hidden knowledge.

Treasures of all kinds can be found at the library.
