

## CLASS SPECIFICATION

**Class Title:** Commercial Appraiser Trainee  
**Department:** Assessor  
**FLSA:** Non-exempt

**Class Code:** 2277  
**Grade:** 20  
**Eff. Date:** 07/16/2021

### GENERAL PURPOSE

Under general supervision of the Commercial Property Team Lead, performs technical assessment work on all types of real property (including commercial property, vacant land, greenbelt, condominiums, improved residential parcels, income producing parcels and commercial parcels) within Davis County.

### EXAMPLE OF DUTIES

Travels to property sites and obtains data to determine the standard and type of structure involved; performs physical inspection of exterior and interior of buildings, photographing property, and recording architectural quality and intended use of the property. Reviews plans and specifications as necessary.

Physically inspects and accurately collects the data elements that contribute to the value of real property (including the economic, social, physical and environmental factors) and record information on data input sheets.

Accurately collects and analyzes commercial sales, vacancy rates, expenses and lease information from all types of commercial properties to be used in narrative appraisals, computer assisted appraisals and multiple regression valuation models.

Appraises all types of real property including complex properties using current appraisal techniques, methods, mathematical formulas and the various recognized approaches. Analyzes the various physical, economic, social and environmental factors which affect value and correlate the different approaches.

Prepares complex narrative commercial appraisals conforming to Uniform Standards of Professional Appraisal Practice as outlined by the licensing division of the Department of Commerce and the Federal Government; defends the appraised value before the County Board of Equalization, the Utah State Tax Commission and various levels in the Judicial Courts as an expert witness or an advocate.

Uses computer programs to develop queries to locate appraisal problems and inconsistencies; uses financial and appraisal software and makes modifications to the queries for individual properties.

Develops commercial neighborhood boundaries, size adjustment tables and land tables with values for all classes of commercial, industrial and multiple housing property.

Responds to questions from property owners regarding appraisals and assessments.

Operates a motor vehicle in a safe manner and in compliance with all Utah laws and regulations.

Performs related duties as assigned.
