Davis County Health Department to Start Offering COVID-19 Booster Dose at Legacy Events Center

DAVIS COUNTY, UTAH – When the [Davis County Health Department](#) (DCHD) reopens its drive-thru COVID-19 Vaccination Clinic on Monday, September 27th at the [Legacy Events Center](#) in Farmington, it will offer a booster dose of the Pfizer-BioNTech vaccine to those who are eligible.

On Friday, September 24th, the CDC recommended the following:

- People 65 years and older and residents in long-term care settings should receive a booster shot of Pfizer-BioNTech’s COVID-19 vaccine at least 6 months after their Pfizer-BioNTech primary series
- People aged 50–64 years with underlying medical conditions should receive a booster shot of Pfizer-BioNTech’s COVID-19 vaccine at least 6 months after their Pfizer-BioNTech primary series
- People aged 18–49 years with underlying medical conditions may receive a booster shot of Pfizer-BioNTech’s COVID-19 vaccine at least 6 months after their Pfizer-BioNTech primary series, based on their individual benefits and risks
- People aged 18-64 years who are at increased risk for COVID-19 exposure and transmission because of occupational or institutional setting may receive a booster shot of Pfizer-BioNTech’s COVID-19 vaccine at least 6 months after their Pfizer-BioNTech primary series, based on their individual benefits and risks

For the week of September 27th, the hours will be 1:00 PM to 5:00 PM. Then, starting the week of October 4th, the hours will be 10:00 AM to 6:00 PM. Appointments are required and can now be scheduled throughout the month of October online at: <https://go.usa.gov/xAZFD>. If you need assistance, please call (801) 525-4900, Monday – Friday, from 8:30 AM - 5:00 PM.

In addition to the booster dose, DCHD will offer 1st, 2nd, and 3rd dose (for immunocompromised people) of the Pfizer-BioNTech vaccine; as well as single dose Janssen/Johnson & Johnson (limited supply).
